## *We Thought Of You Today*

*We thought of you today, but  
that is nothing new. We thought of you  
yesterday and will tomorrow, too.*

*We think of you in silence, and make no  
outward show. For what it meant to lose you  
only those who love you know.*

*Remembering you is easy, we do it everyday.  
It's the heartache of losing you  
That will never go away.*
